PARTIAL GENEALOGY OF ASAPH YOUNG.

Asaph Young
Born June 1750
Died May 20, 1827
Married June 10, 1777
At Chatham, Conn
To Abigail Brooks
Born 1756
Died Sept 13, 1827

Asaph Young enlisted as Private in Second company from Haddam Connecticut May 8, 1775. Discharged Oct. 31, 1775 under General Spencer
Capt. Sam'l Wyllys, Hartford, Conn
" Ezekiel Scott, Waterbury "
Lieut. Sam'l Cooper, Chatham "

We have been unable as to this time to locate the ancestry of Asaph Young or find out the place of his birth. It is possible that he is a decendent of Christopher Youngs and wife Priscilla who sailed on the Ship Love in July 1635 from Southwold England and settled in Southwold, Conn. Record of this family is found in the book of Young Genealogy in the Newberry Library, Chicago, in which it appears that several branches of the family moved to Connecticut early in the 17th Century and no record of these families can be found
